A Message From Your Principal

Dear Leading Edge Academy Families,

It's hard to believe that we only have three months left in the school year. A reminder that re-enrollment is now open and that in order to assure your son/daughter a spot at Leading Edge East Mesa please return re-enrollment forms if you have not done so already. We will continue to serve grades K-6 next year. If your son/daughter is a 6th grade student please be sure to return their re-enrollment form if you intend to have your child

attend our Gilbert campus.

We will have our annual Field Day at Skyline Park Wednesday, March 7, 2012. Students will report to class as normal that morning for roll and then we will transport to the park. Following our Field Day activities students will return to school for dismissal at 12:00. This is the last day of school before Spring Break which runs from March 8 - March 16.

In addition to this our staff and students have

begun preparing for the April AIMS and Terra Nova Assessments. That said, it is crucial that parents bring their children to school each day and to arrive on time. When students are absent or late, instructional time is lost and the class is disrupted. It is equally crucial that students are not pulled out of class unless it is absolutely necessary. Many doctors and dentists offer evening hours and all students have Friday afternoons available.

Principal

**Open Enrollment Begins
February 27th**

Our open enrollment / lottery will begin on February 27th. If we do not have your child's re-enrollment form, they may risk losing their spot for next year.

Siblings (Kindergarten - 6th grade) have priority for next year, however they need to be registered by February 29th also.

If you did not receive your re-enrollment forms in the mail or need a new one, please contact the office @ 480-984-5645.
