Arizona Residency Documentation Form

A.R.S. § 15-802(B) requires school districts and charter schools to obtain and maintain verifiable documentation of Arizona residency upon enrollment in an Arizona public school. The documentation required by A.R.S. § 15-802 **must be provided each time a student enrolls in a school district or charter school in this state, and reaffirmed during the district or charter's annual registration process via the district or charter's annual registration form.**

In general, students will fall into one of two groups: (1) those whose parent or legal guardian is able to provide documentation bearing his or her name and address; and (2) those whose parent/legal guardian cannot document his or her own residence because of extenuating circumstances including, but not limited to, that the family's household is multi-generational.

Please complete the attestation below and provide the required documents. If you are unable to provide any of the documents listed below please see the campus registrar for an alternate verification form.
